The Moody Deck Saloon 'one level living' concept takes a unique approach to modern yacht design. Simply open the sliding doors and enjoy a panoramic view to the living area and spacious cockpit, all on the same level. The large cockpit contains a smart table as standard while the open deck aft is ideal for spending time with family and friends. Welcome aboard.

Everyone onboard this yacht will feel totally safe thanks to the solid continuous bulwark and guardrail, which offers all-round security. Protected by a sliding bimini, the large cockpit serves the ideal social area in all weather conditions. When the swimming platform is open, access to the sea is just two steps away.

The Moody DS45 is a true ocean cruising yacht offering you safe and comfortable blue water sailing. Her design incorporates a high degree of seaworthiness and independence. Highlights include exceptional refrigeration, water and diesel capacities, coach roof windows made of strong security glass, a solid watertight bulkhead in the bow and much more besides.

Attention is paid to every detail, including the spacious storage compartments, pop-up TV, and the ergonomic fiddles and handrails. Even with a party underway outside there is still an opportunity to enjoy peace and quiet in the deck saloon. This area is also home to the navigator's seat and chart table, with ample space for extensive passage planning.
